world record for the fastest claim paid out to a customer: 3 seconds! The process up to that point had taken only a few minutes and zero paperwork. That's unheard of for an insurance claim and in the 3,000 year history of insurance.

Lemonade Sets a New World Record | Lemonade Blog

In A World of Three Zeros, Yunus describes the new civilization emerging from the economic experiments his work has helped to inspire. He explains how global companies like McCain, Renault, Essilor, and Danone got involved with this new economic model through their own social action groups, describes the ingenious new financial tools now funding social businesses, and sketches the legal and regulatory changes needed to jumpstart the next wave of socially driven innovations.

Muhammad Yunus wants us to know that capitalism is doing just what it is meant to do: create and concentrate wealth. But in his book *A World of Three Zeros*, Yunus advocates rethinking the basic tenets of capitalism, given that poverty and unemployment demean so many, and that climate change threatens so much.
