The Native American name controversy relates to the dispute over acceptable ways to refer to the indigenous peoples of the Americas and to broad subsets thereof, such as those living in a specific country or sharing certain cultural attributes. Early settlers often adopted terms that some tribes used for each other, not realizing these were derogatory terms used by enemies.

Indigenous peoples of the Americas - Wikipedia
American colonies, the 13 British colonies that were established during the 17th and early 18th centuries in the area that is now a part of the eastern United States. The colonies grew both geographically and numerically from the time of their founding to the American Revolution (1775–81).
