Posamentier. With Sam Rockwell, Olivia Wilde, Michelle Monaghan, Jane Fonda. A strait-laced pharmacist's uneventful life spirals out of control when he starts an affair with a trophy-wife customer who takes him on a joyride involving sex, drugs and possibly murder.

Better Living Through Chemistry (2014) - IMDb

DuPont used the "Better Living Through Chemistry" slogan not to promote particular products, but to change viewers' opinions about the role of business in society. In the words of DuPont's advertising director, Charles Hackett, the advertisements sought to address "unspoken fears of bigness in business", which were based on "an emotional rather than a rational foundation".
