The first car to bear the name was the 1949 Coupe de Ville, a pillarless two-door hardtop body style with a prestige trim level above that of the Series 62 luxury coupe. The last model to be formally known as a DeVille was the 2005 Cadillac DeVille, a full-size sedan, the largest car in the Cadillac model range at the time.

BURGUNDY RARE ...

The Cadillac Deville is an excellent car. It rides very smooth and the engine is quiet. It feels like a luxury car. When I ride over a bump, I barely feel the bump. I love the leather seats and Bose Sound system. Some cars don't have an Aux port and this car does. In the winter, the car heats up quickly. But I don't like that it uses a lot of gas.
