Hegemony And Revolution Antonio Gramscis

Hegemony and Revolution is the first full-fledged study of Gramsci's Prison Notebooks in the light of his pre-prison career as a socialist and communist militant and a highly original Marxist intellectual. Walter Adamson shows how Gramsci's concepts of revolution grew out of his experience with the Turin worker councils of 1919-1920 as well as his experience combatting the Fascist movement.

Gramsci had two aims in the years 1919-1920, which, following Lenin, he considered fundamental to the revolutionary process. Firstly, the formation of organs of class struggle and workers' democracy that could organise the broadest layers of the workers.

The revolutionary ideas of Antonio Gramsci

Hegemony was a term previously used by Russian Marxists such as Vladimir Lenin to denote the political leadership of the working-class in a democratic revolution. Gramsci greatly expanded this concept, developing an acute analysis of how the ruling capitalist class - the bourgeoisie - establishes and maintains its control.

Antonio Gramsci - Wikipedia

To take up the ideas of Antonio Gramsci, particularly his take on cultural hegemony, is to throw out the possibility of initiating People's War or at best indefinitely prolong its initiation. His ideas are an outright negation of Marxism-Leninism, as well as its subsequent stages of development and we should discard his ideas as they are the words of a pessimist who had no faith in revolution as a proactive affair.

The Italian Marxist Antonio Gramsci developed the key concept of cultural hegemony during his imprisonment by the Italian state under Mussolini's fascist rule. In his Prison Notebooks (w. 1929-1935), he posited how dominant class ideology took shape and exerted its influence through the manufacture of consent. Gramsci based his ideas of hegemony on the Marxist theoretical concepts of Base and Superstructure.
