But john deere balers are the best of the best and new Hollands are good too. For my set up it would be a john deere. But if I was baling with just a tractor and baler. (No rake baler combination like I use) then I would go with the 560. I would be more interested in a "460" 4x6 baler like the 560 but that would be it. I do not like the br balers.
