611 B For Sale - Replacement Engine Parts

Can anyone confirm if the 2014 Q5 2.0T is running the 3rd Gen of EA888? I know they got the power bump from 210hp to 220hp which will be the standard in the MK7 GTI. But comparing the MK7 GTI engine bay to the 2014 Q5 2.0T, it looks different. Just curious because I know the 3rd Gen will be Direct/Port Injection. Port being for the lower RPM's to help reduce the carbon build up on these engines.
