### Book Review: Preserving Cultural Landscapes in America ...

Historic preservation is a movement in planning designed to conserve old buildings and areas in an effort to tie a place's history to its population and culture. It is also an essential component of green building in that it reuses structures that are already present as opposed to new construction.

### Why Preserving Historic Landmarks is Important for Development

In recognition that large scale historic properties of significance to Indian tribes and Native Hawaiian organizations (NHOs) across the United States are increasingly threatened by development, the ACHP launched a Native American traditional cultural landscapes initiative and adopted an action plan in November 2011.
