The Poor Law report of 1834 (Book, 1974) [WorldCat.org]

The great reform of the Poor Law which took place in 1834 was an attempt, based on Benthamite principles, to deal radically with the administrative weaknesses and abuses revealed by the unprecedented strains set up by the Napoleonic Wars and their aftermath of poverty and unemployment. The social consequences of this reform were far-reaching.

From Poor Law to Beveridge Report | Foreign Affairs

In 1601, England was experiencing a severe economic depression, with large scale unemployment and widespread famine. Queen Elizabeth proclaimed a set of laws designed to maintain order and contribute to the general good of the kingdom: the English Poor Laws. These laws remained in force for more than 250 years with only minor changes.
