The Right of Privacy: Is it Protected by the Constitution?

The right of privacy is a legal concept in both the law of torts and U.S. constitutional law. The tort concept is of 19th-century origin. Subject to limitations of public policy, it asserts a right of persons to recover damages or obtain injunctive relief for unjustifiable invasions of privacy prompted by motives of gain, curiosity, or malice.

Rights of privacy | Britannica

what is the right to privacy? The right to privacy is not mentioned in the Constitution, but the Supreme Court has said that several of the amendments create this right. One of the amendments is the Fourth Amendment, which stops the police and other government agents from searching us or our property without "probable cause" to believe that we have committed a crime.

Students: Your Right to Privacy | American Civil Liberties ...

THE RIGHT TO PRIVACY["]. "It could be done only on principles of private justice, moral fitness, and public convenience, which, when applied to a new subject, make common law without a precedent; much more when received and approved by usage." — Willies, J., in Millar v. Taylor, 4 Burr.

Warren and Brandeis, "The Right to Privacy"

While the right to privacy under international human rights law is not absolute, any instance of interference must be subject to a careful and critical assessment of its necessity, legitimacy and proportionality.
