It's time for women to realize they're just no good at sports. Women simply can't compete. If they could, it wouldn't be so easy for bigger, tougher, stronger, male-bodied competitors to trounce them. We're seeing a revolution in women's sports, and it's not coming from the female-bodied competitors but their betters.

Who needs women's sports anyway?

This Girl Can. No one gets to choose how you exercise other than you. Your body, your call. And whatever that looks like, we think it's worth celebrating. This Girl Can, funded by The National Lottery, believes that there's no "right" way to get active. However you jiggle, kick, lift, stretch, or sprint, it's time to get moving how you damn please.

This Girl Can

Women's sports that are identical to men's sports—soccer and basketball, for example—will never be popular, because men are faster, stronger and more athletic. On the other hand, sports that...

Why Aren't Women's Sports as Popular as Men's? - The Atlantic

"If I can inspire a child to do something—anything—that sparks their imagination, then that is an honor." From drawing a picture of herself on the moon in the first grade to taking part in the first all-woman spacewalk last year, NASA astronaut Jessica Meir isn't just living out her dream—she's also making history.
